### Reach More Parents

You should have received an email today inviting you to Reach More Parent. This is an app that we are introducing that will be the main form of communication between home and school.

Once we are all up and running, then the Weekly Bulletin will stop and the school Facebook page will have less information.

On the app you can find links to Parentpay, Seesaw and TTRockstars which should make accessing the different apps easier.

Please find the time to sign up so that you receive all the school communications.
