

Behaviour and Relationships Policy Guide for Parents

Our Behaviour Policy is based upon

Ready, Safe, Kind.

The Five Principles of our Practice

Newbold and Tredington C of E Primary School is committed to creating an environment where exemplary behaviour is at the heart of productive learning. Everyone is expected to maintain the highest standard of personal conduct, to accept responsibility for their behaviour and encourage others to do the same. As members of our community, we adhere to the rules of the school being:

Ready	Safe	Kind
		
<ul style="list-style-type: none">• I am ready to listen• I am ready to learn and take pride in all I do• I am on time for school and in the correct uniform	<ul style="list-style-type: none">• I move around the school calmly and quietly• I look after my school and my belongings• I tidy up• I make safe choices	<ul style="list-style-type: none">• I treat others with respect and listen to their ideas• I use manners• I show care and offer to help others• I use kind words and actions• I greet my friends and teachers when I arrive and leave

Behaviour Pathway - De escalation

De-escalation of inappropriate student behaviour by staff avoids low-level behaviours escalating and becoming more serious. When students are behaving in a way that is not appropriate staff should use a range of strategies to support that student to get back on track without giving attention to the negative behaviour.

1. **Reminder**
2. **Warning**
3. **Thinking Time**
4. **Repair**

Reminder - Remind child about which rule they are breaking.

Warning - Ask them to come out of the classroom for a quiet word. "If you choose to break the rule again then there will be consequences for your actions."

Thinking Time - Now you need to think about your actions

Repair - Time to apologise.

Final Note

The five pillars of our principles of our practice are the first approach that all staff will use to ensure behaviour is exemplary. We create an environment that is safe, where everyone feels respected and where children come into each lesson ready to engage in learning. We know that adult consistency, positivity and kindness supports children to be the best they can be.

"You can be strict without being nasty, maintain boundaries without cruelty and correct children without aggression".

(Paul Dix, Pivotal education)
