Newbold and Tredington C of E Primary School and Day Nursery

Vocabulary that I will learn and use during this unit of work

sequence   program
command   outcome
blocks   animation
algorithm
design   debug

Sticky knowledge about programming

The ScratchJr app can be used to start a sequence.

A sequence of commands has an outcome.

A set of blocks can create programs with different outcomes.

A set of blocks can create an animation.

A design in ScratchJr can be modified.

When more blocks are used in a sequence, more complex programs are created.

A design can be improved by adding features and debugging errors.

Categories	Blocks
Triggering	Start on Green Flag, Start on Tap, Start on Bump, Send Message, Start on Message
Motion	Move Up, Move Down, Move Left, Move Right, Turn Right, Turn Left, Hop, Go Home
Looks	Say, Grow, Shrink, Reset Size, Hide, Show
Sounds	Pop, Play Recording Sound
Control	Wait, Set Speed, Stop, Repeat
End	End, Go to Page, Repeat Forever
