To learn about the music of the British Isles and create music of our own
I can use my voice expressively and creatively by singing songs and speaking chants and rhymes
I can play tuned and untuned instruments musically
I can experiment with, create, select and combine sounds
I can listen with concentration and understanding to recorded music

Lesson 1
To learn about the music of the British Isles
I can use my voice expressively and creatively by singing songs and speaking chants and rhymes
I can listen with concentration and understanding to recorded music

National Curriculum:
- Sing, play and follow instructions to perform as a group.
- Describe music using simple musical vocabulary.
- Explore multiple ways of making the same sound.
- Represent the same sound in different ways.
- Describe how they have adapted a sound using musical vocabulary. Contribute musically to a final performance.
- Create a piece that clearly represents a particular environment.
- Extend a piece of music so that it represents three distinct environments.

What should I already know
