

Music

INTENT

Pupils will be given the opportunity to:

- Listen attentively, move to and talk about music, expressing their feelings and responses.
- Sing in a group or on their own, increasingly matching the pitch and following the melody,
- Explore and engage in music making and dance, performing solo or in groups.

Pupils will be given the opportunity to:

- Use their voices expressively and creatively by singing songs and speaking chants and rhymes
- Play tuned and untuned instruments musically
- Listen with concentration and understanding to a range of high-quality live and recorded music
- Experiment with, create, select and combine sounds using the inter-related dimensions of music.

Pupils will be given the opportunity to:

- Sing and play musically with increasing confidence and control. They should develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory.
- Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression
- Improvise and compose music for a range of purposes using the inter-related dimensions of music
- Listen with attention to detail and recall sounds with increasing aural memory
- Use and understand staff and other musical notations
- Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians
- Develop an understanding of the history of music.

Performance Instruments

- Play instruments with increasing control to express their feelings and ideas.
- Choose instruments to represent sounds.
- Play un-tuned instruments to a steady beat.

Performance Instruments

- Begin to play a classroom instrument as part of a group/ensemble and as part of the song that is being learnt.
- Play as part of your ensemble/group with a sound-before-symbol (by ear) approach.
- Learn to stop/start and respond to basic musical cues from the leader/conductor.
- Learn how to treat your instrument with respect and how to play it correctly.
- Practise, rehearse and present performances with some awareness of an audience.

Performance Instruments

- Play a classroom instrument as part of a group/ensemble and as part of the song you are learning with more knowledge, confidence and ease.
- Move between differentiated parts as required using a sound-before-symbol approach. Begin to use notation.
- Continue to respond to basic musical cues from the leader/conductor. Follow the leader confidently.
- Treat your instrument with respect and care to play it correctly.
- Demonstrate confidence and fluency when playing your instrument in a solo or ensemble context.
- Continue to treat your instrument with respect and care and to play it correctly.
- Practise, rehearse and present performances with awareness of an audience. Begin to realise that performance can influence how music is presented.
- Watch a recording and/or discuss the performance. Offer helpful and thoughtful comments and feedback about others.

Composition

- Create their own songs, or improvise a song around one they know.

Composition

- Create your own very simple melodies (usually in a group) within the context of the song that is being learnt.
- Create compositions using one or two notes, increasing to three notes if appropriate.
- Record the composition in any way appropriate. Notate music in different ways, using graphic/pictorial notation, video, ICT.
- Musically demonstrate a very simple understanding and use of the interrelated dimensions of music as appropriate within this context of creating and making music eg getting louder (dynamics), quieter (dynamics), higher (pitch), lower (pitch).
- Explore ways of representing high and low sounds, and long and short sounds, using symbols and any appropriate means of notation.
- Explore standard notation

Composition

- Compose a section of music that can be added to a performance of a song.
- Confidently create your own melodies within the context of the song that is being learnt.
- Move beyond composing using two notes, increasing to three notes then five.
- Use voice, sounds, technology and instruments in creative ways. Record the composition in any way appropriate.
- Notate music in different ways, using graphic/pictorial notation, video, ICT.
- Musically demonstrate an understanding and use of the interrelated dimensions of music as appropriate within the context of creating and making music.
- Recognise and musically and/or verbally demonstrate awareness of a link between shape and pitch using notations as appropriate.
- Represent compositions using symbols and/or any appropriate means of notation.
