Day Nursery

Creating a Chance to SHINE Every Day

Newbold and Tredington C of E Primary School Day Nursery is run by the governing body of the school and management is delegated to the Nursery Manager. The Nursery is located at the Newbold site along with Reception. This helps to promote strong links with the school and makes the transition from nursery to school as smooth as possible

Meals

Hot lunches are available daily. If you choose to have packed lunch, then all packed lunches should contain an ice pack as refrigeration is not available. In line with the school Healthy School policy lunch boxes should not contain nuts, sweets or chocolate.

The nursery offers a secure outdoor play area and has the use of the school facilities to enhance learning.

Our policies and procedures are available for parents to read. We recommend that parents look at our Parents Information board when dropping off or picking up.

The nursery currently operates during Warwickshire term time.
