## History: Vikings vs Anglo Saxons

### Vocabulary that I will learn and use during this unit of work

**Witan** - a council of nobles who advised the Anglo Saxon kings

**Longboats** - fast and safe boats that could be used to invade shallow waters easily

**Lindisfarne** - a monastery in the north of England which was first invaded by the Vikings. It was a successful invasion as the monks, following Christianity, did not fight back.

**Treaty of Wedmore** - n agreement between the Angle Saxon king Alfred and the Viking leader Guthrum that the Vikings would stay north and Alfred would rule the rest of England.

**Danelaw** - area of England in the north which was ruled by the Vikings

**Anglo Saxon Chronicle** - a yearly document created which documented daily life in Anglo Saxon areas

**Runes**- symbols which are used as an alphabet to start early forms of writing

**Old Norse/Danish tongue** - language spoken by the Vikings

**Unified** - when something, in this case a country, comes together to be ruled by one king and no longer split into independent sections.
