

My steps through learning:

What I will know and understand

How I will show that I know it

# Creating Media - Digital Painting Steps through Learning

## Lesson 5

To know how digital paintings in the style of Seurat are created.

I can use brushing tools to mimic an artists style.

## Lesson 3

To know how to use a range of digital printing tools inspired by an artist.

I can use shape tools to create a collage effect.

## Lesson 1

To know how to use freehand tools in digital painting.

I can make marks, draw lines and paint tools to draw a picture.

## What should I already know

Any knowledge they already have of computers including laptops and iPads and any apps on them.

## Lesson 6

To know how to evaluate paintings on computers and on paper.

I can identify positives and negatives on using computers and paper to paint.

## Lesson 4

To know how to choose digital painting tools purposefully.

I can explain my tool choices when creating in the style of Kandinsky.

## Lesson 2

To know how to use shape and line tools.

I can use shape and line tools to create artwork inspired by Mondrian.

## National Curriculum:

- Use technology purposefully to create, organise, store, manipulate and retrieve digital content.
