

My steps through learning:

What I will know and understand

How I will show that I know it

Using Technology Around Me

Steps through Learning

Lesson 5
To know what a computer keyboard is for.

I can edit a text using a keyboard.

Lesson 3
To know the purpose of a mouse pad.

I can use a mouse pad to complete tasks.

Lesson 1
To know what is meant by technology.

I can recognise technology.
I can identify how technology helps us.

What should I already know

Any knowledge they already have of computers including laptops and iPads.

Lesson 6

To know how to use a computer responsibly and safely.

I can identify rules to keep us safe when using technology.

Lesson 4

To know what typing is.

I can type my name on a laptop.

Lesson 2

To recognise the main parts of a laptop.

I can name the main parts of a laptop and their purposes.

National Curriculum:

-
- Recognise common uses of information technology beyond school
- Use technology purposefully to create, organise, store, manipulate, and retrieve digital content
- Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.
