

My steps through learning:

What I will know and understand

How I will show that I know it

# Art - Famous Buildings Steps through Learning

## Lesson 5

To know the architecture of the Sydney Opera House

I can create a paper collage of the Sydney Opera House

## Lesson 6

To know the exterior aesthetics to design a building

I can design a building using colour, line and shape

## Lesson 3

To know the colour and pattern in the design of St Basil's Cathedral

I can recreate a picture of the cathedral using tints and shades

## Lesson 4

To know the design features of the Taj Mahal

I can create a symmetrical picture of the Taj Mahal

## Lesson 1

To know a range of architectural styles

I can explore a range of famous buildings from around the world, discussing which building looks the best and why

## Lesson 2

To know the architecture of Sir Christopher Wren

I can apply shading techniques in an outline of St Paul's Cathedral

### What should I already know:

- A sculpture is a 3D model
- Identify shapes
- Have a basic understanding of symmetry

### National Curriculum:

- To improve their mastery art and design techniques, including drawing, painting and sculpture with a range of materials (e.g. pencil, charcoal, paint and clay)
- Be taught about great artists, architects and designers in history
