

My steps through learning:

What I will know and understand

How I will show that I know it

History

Ancient Egypt

Steps through Learning

Lesson 7

To know about ancient Egypt

I can recall, select and organise historical information about ancient Egypt

Lesson 6

To know about Egyptian tombs, pyramids and burial sites

I can explain the process of mummification

Lesson 5

To know that sources can give us information about the past

I can generate some questions about everyday life in ancient Egypt to research

Lesson 4

To know why the Rosetta Stone was such an important discovery for translating hieroglyphics

I can create my own hieroglyphic

Lesson 3

To know about the discovery of Tutankhamen's tomb

I can explore pictures of Ancient Egypt and explain what they tell us about the past

Lesson 2

To know the impact of the Egyptian landscape on people's lives

I can explain the importance of the Nile to ancient Egyptian settlements

Lesson 1

To know the difference between 'ancient' and 'modern' Egypt

I can identify features of ancient Egypt

What should I already know:

- . To have an opinion
- . Reason and justify opinions
- . Chronological order means time order

National Curriculum:

- The achievements of the earliest civilizations - an overview of where and when the first civilizations appeared and a depth study of one of the following: Ancient Sumer; the Indus Valley; Ancient Egypt; the Shang Dynasty of Ancient China
