

My steps through learning:

What I will know and understand

How I will show that I know it

Steps through Learning

Art - Sparks and Flames

Lesson 5

To know how to create a 3D scene

I can look at pictures and talk about them.
I can talk about my work.

Lesson 3

To know how to use resources to create a 3D picture.

I can use materials to create an effect.

Lesson 1

To know how to use chalks to create a flame picture.

I can pick the correct colours to represent a flame.
I can choose the correct shapes to draw a flame.

What should I already know

- To have some experience of mixed media
- To have some experience of 3D modeling

Lesson 6

To know how to mix media to create a picture

I can make choices about the resources I want to use.
I can talk about my work.

Lesson 4 (continued from Lesson 3)

To know how to use resources to create a 3D picture.

I can use materials to create an effect

Lesson 2

To know how to use collage to create flames.

I can describe colours and shapes.
I can manipulate tissue paper to create flames.

National Curriculum:

- to use a range of materials creatively to design and make products.
- to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination.
- to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.
- about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.
