Our value for Collective Worship is Remembrance

Tchoukball Training Session

Mr Yuill from Shipston High School came to school to give the children a chance to try Tchoukball. At either end of the pitch is a rebound surface (see picture) and teams can score in both ends. A point is scored when the team miss a rebound and if it hits the ground.

Two teams will be representing the school in a Cluster Tournament on Tuesday 11th November. Good luck to all those who take part.

Phonics Evening

We have scheduled in a new date for the Phonics Information Evening for Reception parents. You should have already received letters to tell you that the new date is Thursday 20th November at 6pm. (Newbold site)

On Friday 14th November we will be supporting Children in Need with a non uniform day. For a donation of £1 or more you can come dressed as a **Superhero** for the day.

Emerald Class will also be holding a cake sale at the end of the day, so remember to get baking Emerald Class.

The children in nursery have been asked by Ragdoll Productions to take part in research into a new programme that they are developing.

Ragdoll

Remembrance Day Services

We will be holding two Remembrance Day Services this year. At Newbold the children will go to the War Memorial on the green just before 11 O'clock and the service will be led by Rev. John Horton. Please can you ensure that your child has a warm coat in school on Tuesday.

At Tredington the service will be held in the school hall at 10.30am. The children have been working hard to learn a Remembrance song and will be sharing their thoughts and feelings with their own pieces of written work. Both services are open to parents and members of the community to attend, so please feel free to join us.

On Monday the children at Tredington, will also be involved in a National Remembrance Service for school, that is being transmitted live from the Tower of London.

IMPACT Workshop

Thank you to all who attended the IMPACT workshops this week. We had a brilliant response from parents and children and I wanted to let you know that the next set of workshops will have a maths focus. They will be held on Tuesday 13th January for Year 1, Wednesday 14th January for the children in Mrs Child's and Mr Boothroyd's maths groups and Thursday 15th January for children in Mrs Tattersall's maths group. The sessions will take place as usual from 9.10am.

Parents' Evenings

Just a reminder that all appointments with the teachers, will be at the Tredington site. The front door will be left open, so that you can come in and look at your children's books before your appointment time.

And Finally!!!

Have you looked at the school's website recently? Take a look at the News Report that was created by some last year's Year 5/6 children about Life at Newbold and Tredington School. Look under News on the site. (www.newboldtredington.warwickshire.sch.uk)
