*Our value for Collective Worship is Trust*

## Cross Country

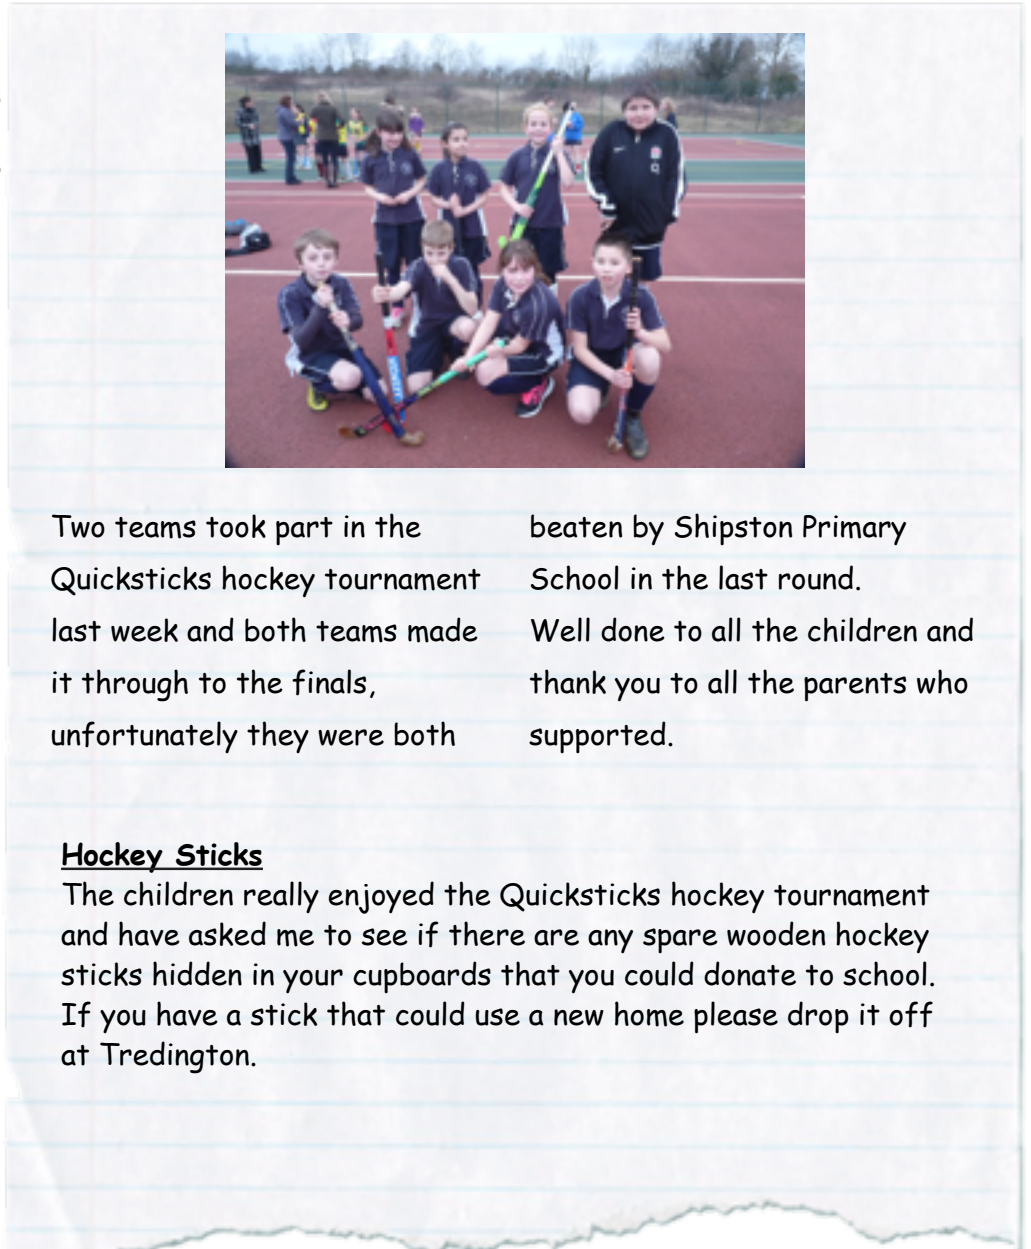

Cross country has been rescheduled for 26th March. Please can you return your new permission slips asap.

## Bikeability

It was great for so many children to have the chance to take part in the Bikeability Level 1 and Level 2. All the children did really well and the Level 2 children had some real road experience. All the children have passed the course and I have booked the instructors again so the opportunity will take place bi annually.

## Croft farm Residential 2016

I sent out a letter last week to Year 4 and 5 to see who was interested in attending the five day residential trip to Croft Farm in June 2016. Please can I remind you that I need to know if your child is interested in attending. Please can you let me know by Wednesday at the latest as I will need to confirm our booking.

Two teams took part in the Quicksticks hockey tournament last week and both teams made it through to the finals, unfortunately they were both

beaten by Shipston Primary School in the last round.

Well done to all the children and thank you to all the parents who supported.

## Hockey Sticks

The children really enjoyed the Quicksticks hockey tournament and have asked me to see if there are any spare wooden hockey sticks hidden in your cupboards that you could donate to school. If you have a stick that could use a new home please drop it off at Tredington.

## Visit from the RNLI

The RNLI brought two lifeguards to school last week to talk to the children about beach safety. The children learnt about the warning flags that fly on the beach and how to stay safe. The children were fully involved in the experience.

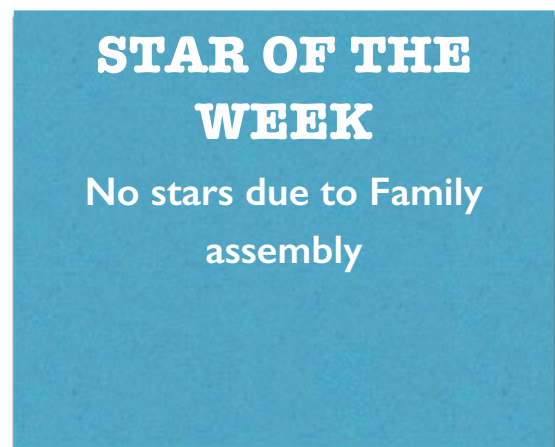

### Easter Experience

The children at Tredington had the opportunity last week to work alongside the Clergy, to explore Easter in a practical way. The church was organised so the children could experience the events of Easter through different learning stations. They took part in the last supper, wrote prayers at the cross on the hill and expressed their thoughts about Jesus on the graffiti board. It was a very thought provoking afternoon and all the children involved took away an envelope containing items that would help them remember the experience.

Ruby class will be swimming next term. Please remember that all children will need a swimming hat and will not be allowed in the pool without one. The school covers the cost of the swimming lessons, but asks parents/carers to pay for the cost of the transport to and from the pool. Without this voluntary contribution we will not be able to provide the children with the opportunity to swim, so it is very important to send in your donation each week.

After the Easter holidays we will be beginning our 4 weeks of the annual Taking Care Project. Please see the attached leaflet.

Have a relaxing weekend.

Sam Welsby (Mrs)  
Head teacher
