*Our value for Collective Worship is Perseverance*

Another busy two weeks have passed and we have taken part in an archery competition, had sports day, participated in South Warwickshire athletics, a rounders tournament, Science link day, new intake meeting and a Father's Day BBQ. I had an e-mail today letting me know that 5 of our children have been selected to represent Shipston area in South Warwickshire Athletics competition on 6th July. Congratulations to Henry, Jake, Hannah, Iulia and Zander. This is a fantastic achievement. Year 6 will be out visiting their new schools next week. Be brave and really enjoy the experience.

Have a relaxing weekend  
Mrs Welsby

Dinner Money

Dinner money payment for this next month is:

1st June to 30th June - 22 days = £46.20

We prefer payment in advance but if you wish to pay weekly please send £10.50 every Monday in order save on administrative time in the office.

Thank you

## PTFA NEWS

The PTFA have met with the children to start to discuss to the "Danceathon", so look out for more details about that event soon.

*The children at Tredington will be working on an "Enterprise Project" net week, related to their topic of chocolate. They would like you to come into school to look at their work on Friday 26th July at 2.45pm. Whole school achievement assembly will be at 3.00pm as usual.*

Unfortunately we have had a lack of interest for both Onside Coaching after school on Thursday and Multi-Sports on Tuesday. We have had to cancel Onside but we still have spaces for the Multi-Sports club on Tuesday - which is free! "We will Rock You" club has now finished after school on a Thursday, but they will be performing at the Picnic on the Field on Thursday 16th July.

### Governor Week

The Governors come into school during the year to take part in the lessons and look at how the school runs.

This term their focus was maths and they took part in lots of different lessons and talked to the children about their lessons.

How can you tell you are getting better at maths?

*The questions are getting longer and harder, I can do them quicker.*

Governor week is a great way to see the school at work. We currently have a position for a parent on the Governing board so please look out for an application for in the next few weeks.

### Mermaids and Pirates

*Rehearsal are well underway for our end of term production at Tredington*

*Could you please supply the following costumes and bring them into school as soon as possible.*

#### Mermaids

*Sea coloured t shirts and white leggings*

#### Pirates

*Old dark grey school trousers that we can put rips in.*

#### Sea

*White or pale blue leggings and t shirts for girls and white or pale blue shorts and t shirts for boys*

*Can you help "run up" a couple of mermaid costumes? Materials and pattern will be supplied, we just need your sewing skills.*

### Artificial Grass

*Do you know how to lay artificial grass? We have purchased some grass to put at the back of the kick board on the playground at Tredington and would like some assistance laying it. If you could spare an afternoon to help lay the grass please let Mrs Welsby know. Tea and coffee will be provided!!*

### Meet the teacher morning

On Tuesday 7th July the children will have the opportunity to meet their new class teachers. We are pleased to inform you that Mrs Rachel Smith will be teaching Sapphire class next year and has kindly agreed to come in that day to work with the children.

Year 1 will need to be dropped off at Tredington on that morning. They will spend the morning with Mrs Smith and after lunch go swimming as normal. After swimming they will return to NEWBOLD to be picked up at 3.15pm

All the other children will come to school as normal and transfer to their new teacher in the morning.

Mrs Nicholds-Trainor and I will be available to work with the children, as we will be teaching a morning group at Tredington in September.
