*Our value for Collective Worship is
Friendship*

I can't actually believe that we only have one more week before the half term break. The term has flown by.

Next week will continue to be a busy week with our final IMPaCT workshop and our Harvest Service at St Gregory's church in Tredington.

The children have been very busy creating their Christmas cards for the PTFA (a little early I know!), so watch out for their cards when we return from the holidays.

Please remember that there will be no school on Monday 2nd November as we are having a training day. (Nursery will be open for the children who normally attend on a Monday).

Sam Welsby (Head)

Dinner Money

Dinner money payment for this next month is:

3rd November to 27th November =
£39.90
(19 days)

We prefer payment in advance but if you wish to pay weekly please send £10.50 every Monday in order save on administrative time in the office.

Thank you

Nursery and Reception 2016 Open Morning

Change of date: Saturday 17th
October 2015

10am - 12pm

Please let all your friends know and encourage them to come and visit us at Newbold.

Wear yellow day

Thank you to everyone who dressed in yellow to raise awareness and funds for the Cystic Fibrosis Trust.

We managed to raise a massive £160 and this has been sent off to the trust.

We are delighted to share our recent good SIAMS report following an inspection by the National Society Statutory Inspection of Anglican and Methodist Schools.

SIAMS stands for the Statutory Inspection of Anglican and Methodist Schools. All Church of England dioceses and the Methodist Church use the National Society's framework as a process for evaluating the extent to which church schools are "distinctively and recognisably Christian institutions".

A SIAMS inspection focuses on the effect that the Christian ethos of the school has on the students who attend it.

The focus of the inspection is around four key questions:

- How well does the school, through its distinctive Christian character, meet the needs of all learners?
- What is the impact of collective worship on the academy community?
- How effective is the Religious Education?
- How effective are the leadership and management of the school as a church school?

We were really pleased with how the day went and the children were a credit to our school. Our inspector commented on how it was a pleasure to work with the children, who were so open and honest. I would also like to thank the parents and governors for their full support during their "interviews".

I think when you read the report, you will agree that Newbold and Tredington has a special quality that is a pleasure and honour to be part of.

Headlines from the report

The distinctiveness and effectiveness of Newbold and Tredington as a Church of England school are good

- Newbold and Tredington is a vibrant, welcoming and inclusive school with Christian values at its heart.
- Pupils know the school's core Christian values and are successfully applying them to their learning and living.
- The strong and mutually supportive links between the church and school enable its distinctive character to grow and develop.

The Christian distinctiveness of the school strongly supports the personal and spiritual development of pupils.

A full copy of the report is attached to this news letter. I hope you enjoy reading it.

If you would like to receive a coloured news letter, please let Mrs Baker know your e mail address and we will send it out to you.
