Our value for Collective Worship is TRUST

Dear Parents/Carers,

I hope you all have had the opportunity to read our OFSTED Inspection report and I believe that it is an accurate representation of our school. As with all reports we are given our next steps for improvement and, as part of this, at parents evening on Monday and Tuesday you will be given information about your child's attainment and their attendance and the impact that it can have on their learning.

I am aware that we operate a 48 hour policy for sickness and diarrhoea, which is necessary to reduce the bugs spreading, but I would encourage you to send your children as soon as they are fit and well again. We will always call you if they need to go home.

Safer Internet Day:

Thank you to the families and members of the community who have already returned their jigsaw pieces to Miss Walsh. Please send any remaining jigsaw pieces by Friday 9th March.

Well done to Charlie and Poppy for entering Warwickshire's online safety competition. Unfortunately, we did not win this time but both had excellent ideas about how to help others to stay safe.

Emerald Class:

We are still enjoying our Space topic after having a jam-packed first half term learning about the planets and writing reports about our own imaginary ones, finding out about the orbits of the Earth and Moon and were very proud of our dance performance in our class assembly complete with masks and outfits.

We did an experiment to investigate gravity: we dropped balls with different masses from the same height and were surprised to find that they all landed at the same time because of gravity. To feel the effects of weightlessness, we talked about being on a rollercoaster or going over a bump in the road and had to lie down with our legs in the air!

Our new book is called 'The Jamie Drake Equation' and is about a boy who has to help his dad, who is an astronaut, in space. After only seeing
