Family assembly

Please note the change of date for the next Family Assembly. Ruby Class will be leading the assembly on **Friday 6th June** rather than Friday 16th May as this is a short half term

Nursery Update

The Nursery Open Morning was a great success and we met lots of new and old families. The committee has decided that the interest for a start after Easter wasn't viable, so we will aim to open in September. We will get application forms out to prospective parents after half term so that we will have some solid numbers to work with. If you know of anyone who might be interested, please spread the word and application forms will be available from the office.

After school clubs

I was really pleased to be able to offer such a wide variety of clubs this term and even more impressed by the take up from the children. Clubs will run from Tuesday 29th April through to Thursday 26th June. The clubs will then finish, as we have commitments such as the end of year production and the Leaver's Service to prepare.

Unfortunately I have another meeting on Tuesday 20th May, so will be unable to run netball that day.

Easter eggstravagnza!!

The children enjoyed their morning of puzzles and quizzes which culminated in a hunt for Easter eggs. All the staff commented on the teamwork that was displayed and how all the children supported each other, as they tried to solve the different puzzles. We all had a fun and exciting morning.

Smarties!!!!

Just a reminder to return your refilled Smartie tubes. Gaynor is collecting your tubes at the office. I will keep you updated on how much we raise towards our pioneer trail.

IMPACT Workshop

Thank you to all the adults who came to support their children at the IMPACT workshop this week. It was wonderful to see so many of you and for feeding back about your morning. We want to make the experience positive for everyone and we are always looking for ways to reflect and improve on the workshops. The "Route through Calculation Guidance" is on our school website in the parents section, under useful information.

Music Tuition

It is with regret that I have to inform you, that I will not be subscribing to the County Music Service in September. The interest for learning an instrument has reduced and we are not able to continue to carry the additional costs when children drop out of tuition mid year. If you are keen for your child to take up an instrument, then please contact me and there may be the possibility of organising a private tutor to hold lessons in the school at the end of a day.

PTFA New to you Sale

The PTFA will be holding their first New to You sale on Saturday 7th June at Tredington. If you would like to sell some children's clothes, toys and other items, please e mail for a sellers pack. ntptfa@gmail.com

Save the Date

Keep Thursday 17th July between 5pm and 8pm free, as all our families are invited to bring a picnic to the school field at Tredington to celebrate the end of the school year and wish our leavers all the best for the future. More details to follow.

Good Luck to the sporting teams this term

We have lots more sporting events coming up this term, including a netball tournament, Key Stage 1 Multisports event, rounders tournament and a football tournament. I wanted to say thank you in advance to all the parents for transporting the children to the events and GOOD LUCK to all the children taking part.

Well done!
