

Monday 9th June - Day 1:

Today we visited Ravenshill Wood for a very short time. We were all very muddy before we even reached Croft farm and our bus driver wasn't too impressed!

This afternoon, we split into 2 teams to build rafts and race to the middle of the lake and back. Toby and the girls won the race... the other boys spend most of the time falling in the water!

We are very organised and have already ordered our meals for the rest of the week. The rooms are quite tidy too!

Looking forward to an evening around the campfire showing off hidden talents and toasting marshmallows.

Hopefully it will be a peaceful night with everyone asleep straight away...
