

### As Writers, we will...

- \*Read stories about children of different cultures.
- \*Read traditional stories, and different versions of these from different view points.
- \*Create stories using 'writing frames'.
- \*Write instructions.
- \*Write poems about people and places.
- \*Act in the role of different characters.

### As Mathematicians, we will...

- \*Read and write numbers to 20 and beyond.
- \*Use a 100 square to add and subtract.
- \*Solve problems involving small amounts of money.
- \*Use practical calculation methods for + and - .
- \*Practise telling the time to half past.
- \*Begin to learn to double and halve.
- \*Share objects and cut shapes into halves.

### As Scientists, we will:

- \*Look at sources of light.
- \*Look at reflecting light.
- \*Find out about protective materials and how we use them.
- \*Look at simple safety measures.
- \*Learn how new inventions and technology help us today.
- \*Carry out simple investigations.

PE will be on Monday and Friday. Onside Coaching will provide Monday's session of games and Friday's session will be in the hall at Tredington. Outdoor school lessons will continue at Tredington on Friday. Please could you make sure your child has a named pair of wellies in school.

### As Historians, we will...

- \*Look at how the uniforms and roles of the people who help us, have changed over time.
- \*Think about why these changes have occurred.

### As Geographers, we will...

- \*Look at the UK map and learn the names and locations of the capital cities of each country of the UK.

### In PSHE, we will...

- \*Read stories about feelings.
- \*Think about how to solve our disputes.
- \*Find out about getting along and sharing.
- \*Think about healthy living, exercise and foods.

### In Art/Design and Technology, we will...

- \*Practise colour mixing to create new colours.
- \*Model using recycled materials.
- \*Further develop joining techniques, such as flaps and using various glues and tapes etc.
- \*Explore modelling materials.
- \*Explore how line and colour create effects as well as wax resist and other mixed media techniques.
