*Our value for Collective Worship is PERSEVERANCE*

Dear Parents/Carers,

I hope you enjoyed your holiday and it is hard to believe that we are now into the last half term of the year. It still remains to be a busy last few weeks and I will keep you posted on any changes to the calendar.

Well done everyone who took part. Remember this is the last half term so get reading to win the prize!

E-safety

In the December newsletter, Miss Walsh sent out a request for Parents/Carers to join our Online Safety Group and take part in meetings alongside staff, governors and children. Without your representation, the group cannot start its work towards achieving the '360° Safe' mark, an important online safety accreditation. The children are keen to start and would like your support to achieve this important award. Please let Miss Walsh know ASAP if you are interested in contributing.

Sporting Events

Just one event since the last newsletter as unfortunately the Year 5/6 football was postponed twice!

Well done to the Year 3/4 football team

Megan, Samuel, Freddie, Oliver, Ruby, Harvey and James represented the school and worked hard for a well deserved 2nd place.

Four wins, one draw and one game lost - on a rather warm afternoon.

## PTFA NEWS

Darren, Siobhan and Tasha from the PTFA were the judging panel for a “Dragon’s Den” style challenge for Year 6. The children spent the week developing a fundraising activity that was sponsored and had a healthy theme. Year 6 worked in groups and had to think about costings, health and safety, management and financial implications of the event. Each team then presented their ideas to the panel. The winners then get to put their event on and get a cut of the profits! Well done “Fruity Fun” for winning the competition

**Next Meeting Thursday 12th June @ The Fuzzy Duck. 8pm**

**We have a large supply of uniform and, if anyone needs anything for the summer term, please speak with any of the PTFA or message us on Facebook. All items are £1 each.**

Thank you to everyone who donated to TOFS and helped us raise over £160.00 for the cause. “Katie was born with OaRTOF. Her oesophagus didn’t join to her stomach, it was a pouch with a connection to her lung instead. Katie had a five and a half hour operation at two days old to help her to swallow.” by Jack.
