Tuesday 15th January 2019

Dear Parent/Carer,

We are going to continue run a series of workshops, encouraging parents to come in to school and work with their child on a one-to-one basis. The workshop will be a fun and enjoyable way of allowing parents to find out exactly how their child is learning in class and to take part in maths activities. We will be using activities in the workshop for you to support your child with their homework.

The workshop will be very informal and parents will not need any particular skill as the activities will be set out and explained by the class teacher. Each child will need an adult to support them in their work. This could be a parent/ grandparent/ uncle/ aunt/ older sibling or family friend who knows the child well. Unfortunately we will be unable to accommodate younger siblings.

The workshop for **Emerald Class** will take place on **Wednesday 6th February**. It will be for approximately one hour from 9.00 - 10.00 am.

I hope you will support this exciting event by attending with your child and would be grateful if you could indicate your support by completing the tear-off strip below and returning it to school no later than **Friday 25th January**.

Thank you for your continued support,

Miss N Walsh

.....

I hereby give my consent for my child \_\_\_\_\_ (child's name) to attend the  
Impact Workshop on **Wednesday 6th February**.

\_\_\_\_\_ (adult's name) will be attending the workshop to  
help with my child's work.

Signed \_\_\_\_\_ (Parent/Carer) \_\_\_\_\_ (Date)

Please complete and return by Friday 25th January. Please note that children are unable to attend the workshop without a supporting adult.
