Wednesday 9th January 2019,

Dear Parent/Carer,

We are going to continue run a series of workshops, encouraging parents to come in to school and work with their child on a one-to-one basis. The workshop will be a fun and enjoyable way of allowing parents to find out exactly how their child is learning in class and to take part in maths activities. We will be using activities in the workshop for you to support your child with their homework.

The workshop will be very informal and parents will not need any particular skill as the activities will be set out and explained by the class teacher. Each child will need an adult to support them in their work. This could be a parent/ grandparent/ uncle/ aunt/ older sibling or family friend who knows the child well. Unfortunately we will be unable to accommodate younger siblings.

The workshop for Sapphire Class will take place on **Tuesday 22nd January**. It will be for approximately one hour from 9.00 - 10.00 am.

I hope you will support this exciting event by attending with your child and would be grateful if you could indicate your support by completing the tear-off strip below and returning it to school no later than **Friday 18th January**.

Thank you for your continued support,

Mrs Smith and Mrs Dove

.....

I/we will be attending the workshop with my child/children.....on Tuesday 22nd January.

Signed \_\_\_\_\_(Parent/Carer)\_\_\_\_\_ (Date)

Please complete and return by Friday 18th January. Please note that children are unable to attend the workshop without a supporting adult.
