30th January 2019

Dear Parent/Carer,

Are you confident that you are keeping your children safe Online?

Raising Online Safety Awareness: Awareness, Action, Talk – keeping your child safe online.

We recognise the difficult challenges parents can face, keeping their children safe on the internet. The Digital Parenting session, delivered by Jane Key, Warwickshire's Online Safety Adviser, will provide, amongst other things, practical advice for setting restrictions on devices, safety tips to help manage online safety issues and discussions surrounding suitable behaviour online and a general update on what is around and trends being observed across the country. The main purpose of the session will be to learn about specific online concerns and risks, which your son/daughter may face or be exposed to, and to find out how you can minimise this risk. We hope at the end of the session you will feel you have a greater understanding and knowledge of these risks and issues, be able to apply appropriate restrictions as required and know what to do if you have concerns.

We believe that Online Safety education is a crucial element of the curriculum and an essential part of a child's development. This session is designed to help you become more aware of the safety messages that your children receive in school in order to reinforce them in your home environment. We really hope that you will be able to attend and look forward to seeing you there.

Please note that the session is unsuitable for children due to the content being covered

School Games Award 2016/17

Silver standard

Creating a chance
to shine every day

January 2018

The session will be held at Tredington on Tuesday 26th March at 3.30pm – 4.30pm.

As this session is unsuitable for children please let Mrs Welsby know and a “creche” for school age children will be organised.

Please return the slip below by Thursday 14th February if you will be attending the workshop.
Many thanks,

Sam Welsby
