Our value for Collective Worship is PEACE

Dear Parents/Carers,

All I can say is where did January go?! I can't believe that we are now in February and only have four days of the half term left! (Staff training Day on Friday 15th February). The children have been busy with their topics and a few sporting events.

Sapphire Class had a visit from the Fire Service to help them burn their "Great Fire of London" construction and Ruby Class had a mysterious visitor who helped them with their newspaper report writing!

I am looking forward to some of the children starting music lessons after half term and there are still a couple of spaces if your child would like to learn to play the keyboard.

Many thanks
Sam Welsby

Well done to Michael, Marshall, Molly, Bethany, Evie and Charlie for their participation in yet another fast and furious Dodgeball tournament at Brailes Village Hall. Thank you to Mrs Russell for being "Team Coach".

Keeping parents up to date with all the news

As a school we endeavour to keep you informed about school events in many ways. The monthly Newsletter contains important dates on the back page, the Weekly Bulletin gives events that are occurring in the week ahead and the letters that have gone out during the week.

Both these publications are emailed out to parents.

In addition, the school Facebook page is used for updates and the Weekly Bulletin is also posted on Facebook for easy reference.

In addition, the school website contains the Weekly Bulletin, Monthly Newsletter, a calendar of dates and events in school. www.newboldtreddington.warwickshire.sch.uk

We are very lucky as a school that the staff run after school clubs. When we produce the Club Letter at the end of the term, we check to see if there are dates we know that we can't make.

All the staff have after school training to attend throughout the term, including subject leader meetings and cluster moderation so we ensure that the clubs letter contains advanced warning that we are unable to run the club on those dates. We try to give you as much warning as possible to help with your own child care arrangements.

Unfortunately, there are times when staff are ill or training gets added or changed and we will do our best to cover a club with another member of staff. This isn't always possible or sustainable over a longer period of time and there are times when we need to cancel.

We know that this can be inconvenient but we will try to give you as much notice as possible and will contact you to notify you of changes.
