

As Writers, we will...

- *look at a range of poetry types such as narrative poems, haiku, kennings, limericks, rhyme and cinquapins
- *explore simile and metaphor
- *write a poem
- *write a story

As Mathematicians, we will...

- *identify quadrilaterals
- *identify lines of symmetry
- *use a written method of multiplication
- *multiply by 0 and 1 and divide by 0
- *solve multi-step problems
- *explain reasoning

In RE, we will...

- *say ways that we are thankful
- *explore the Jewish Festival of Sukkot

The Busy Body

Make sure your PE kits and wellies are in school.

In computing, we will...

- *design and write programs to solve a problem
- *create a sequence and check it works correctly

As Geographers, we will...

- *identify the position of the Equator, Northern and Southern hemispheres
- *use co-ordinates to read maps
- *compare climates of different tropics

As Scientists, we will:

- *identify how sounds are made
- find patterns between the volume of a sound and strength of the vibrations
- *recognise how sound travels
- *classify living things
- *look at the digestive system and teeth
- *explore food chains

In Art/Design and Technology, we will...

- *use a sketchbook to collect, record and evaluate ideas

Amber Class - Summer 2017
